Genius Hard Case Series

GS-1480 Sleeve & GB-1580 Backpack

Genius
Live with Ideas

Genius introduces the new hard case series for the mobile generation. The new ergonomic design combines style, protection and extra storage capacity. The GS-1480 Sleeve and GB-1580 Backpack models fit most popular notebooks available today. Thanks to a clever design, the GS-1480 sleeve is a great accessory for any notebook. Featuring a sturdy, spill-proof hard cover exterior, your notebook will be protected against scratches and bumps. Carry it stand alone or use it for extra protection inside your regular backpack or carry bag.

The GB-1580 backpack is the ideal laptop case for the mobile generation, students and cyclists alike. With convenient internal storage pockets, there is ample space for your files, accessories, and cell phone. Not only is this case ideal for protecting your laptop, but it is built for comfort and mobility too. With adjustable padded shoulder straps to minimize back strain and maximize comfort, you'll be well on your way.
